Sir:

Attached hereto is form PTO-1449 listing documents believed to be relevant to the subject application, including legible copies of the International Search Report and references AA-AC and AL. It is respectfully requested that these documents be considered by the examiner and an initialed copy of each form be returned to the undersigned, and these references be made a part of the official record, and be cited in the issued patent.

THE INTERNATIONAL SEARCH REPORT WAS NOT RECEIVED BY THIS OFFICE UNTIL 3/3/03; IT IS UNCLEAR WHY IT IS DATED 4/10/02.

This disclosure statement should not be construed as a representation that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner.

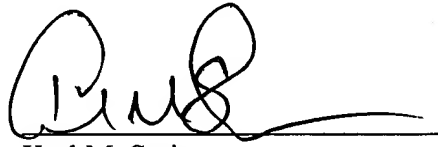

No fees are believed to be due in connection with the filing of this Information Disclosure Statement.

It is believed that this disclosure complies with the requirements of 37 CFR 1.56, 1.97, and 1.98, and the Manual of Patent Examining Procedure section 609. If for some reason the examiner considers otherwise, it is respectfully requested that the undersigned be contacted by telephone so that any deficiencies can be remedied.

Some of the documents may have extraneous markings; no significance is meant to be attached to the markings.

These documents are not necessarily analogous art.

Very respectfully,

A handwritten signature in black ink, appearing to read 'Karl M. Steins', written over a horizontal line.
